

Invitation to join FISITA World Congress 2021 as reviewer

April 2021

Dear colleague,

Organised by FISITA and Czech Automotive Society, **FISITA World Congress 2021** will be held under the main theme '**Automobile and Mobility. New Roles. New Challenges**' on **14- 16 September** in **virtual** space. Our congress offers unique opportunity to learn, share experience and create new contacts for scholars, researchers and practitioners all around the world to exchange innovation and experience. Although the most of accepted papers will be published on-line as teasers only, the full text will be available at FISITA Congress Website. The best best papers will be selected for the full-time presentations.

On behalf of the scientific and technical committee, we would like to **invite** you to join **FISITA 2021 reviewer team**. Your expertise and experience are crucial elements to the success of our cause. By joining our reviewer team you'll enjoy the benefit of **reduced congress rate**.

As FISITA World Congress Reviewer you will be asked to review **about 4** technical papers from the area of your experience.

You'll need to be able to do the following:

- Meet the review deadlines
- Assess the clarity of the content
- Make recommendations on acceptance or rejection
- Provide constructive, quality feedback, in an ideal case helping the author(s) to amend the paper
- Submit scores as per the FISITA technical paper review criteria, which will be used for recommendation to publish the topics of the paper in journals, as well

Please indicate the topics of your **expertise** for the reviews:

Digital Transformation	Mobility Comfort
Advanced Vehicle Driveline and Energy Management	Automated and Connected Mobility
Emissions and Pollutants Caused by Vehicles	Vehicle Dynamics and Controls
Conventional and Alternative Fuels and Lubricants	Passive and Integral Safety
Manufacturing, Materials and Lightweight Solutions	Vehicle Electronics and Software

We appreciate your willingness to shape and contribute to the FISITA World Congress 2021 and looking forward to your positive **answer** to stc2021@fisita.com.

Best regards,

Jiri Svoboda, Ph.D.

Chair of Scientific and Technical Committee
