Branding Opportunities

Showcase Sessions – Additional Presentation Opportunities

Due to the exceptionally high volume of submissions for EuroBrake, a limited number of additional presentation opportunities are being made available within the Showcase Sessions on Day 2 of the conference.

These sessions provide exhibitors and sponsors with the opportunity to present curated case studies, demonstrations and innovations to EuroBrake attendees in a dedicated presentation space.

Participation includes:

- A 20 minute presentation slot plus 10 minute Q & A
- Listing in the official EuroBrake agenda
- Inclusion in the event app plus social and onsite promotion
- AV equipment, including main screen, comfort monitors and sound system
- EUR 1,750

Please note that these sessions run parallel to the main technical programme. Providing excellent additional opportunity to create profile and awareness to a dedicated audience of up to 70, providing valuable visibility and thought-leadership opportunities for participating organisations.

Availability is limited and offered on a first-come, first-served basis.

Video Showcase

Capture attendee attention with your brand displayed on two large screens in the main exhibition hall. Your 2-minute silent video will run on rotation throughout the event.

Includes:

- Two large screens in main exhibition hall (4.2m by 2.4m)
- 2-minute video (no audio)
- Rotational playback throughout 3-days, shared with other sponsors
- High-impact brand visibility
- EUR 1000
